

# Janesville's First Tee Programs

*Programs Include:  
Ages 7-17*

## Riverside Junior Golf ACADEMY

In this 11 Session Academy, Players will begin to learn the meaning of 'purposeful practice'. With lessons being split between short game, long game and on course exposure. These 90 minute sessions will help players develop healthy life and practice habits. These habits will be implemented on and off the golf course. This Academy is the core of our program that will help young people transition into responsible young people.

## Blackhawk 9-hole Playing League

In this 8 week "playing league" players will start to use life and golf skills obtained in previous programs in on course situations. The sessions will begin with a 15 minute review, followed by 9 holes of golf @ Blackhawk. Throughout the league various individual and team formats will be utilized. The goal to have the players strive to be comfortable with their abilities on and off the golf course.

## Friday Junior Lesson League

This 10 session program will focus on the development of core fundamentals in the game of golf with exposure to on course activities. The bridge between the game of golf and life skills being taught on and off the golf course will become very uniform throughout the sessions in this program.

## Spring Saturday TARGET

Target program is an introduction to golf in a 3 session structure. We establish a foundation for young people to become life long players of the game. All ages and skill levels are welcome to come and learn how to grow into young adults through the game of golf.
