

City of Janesville Golf Courses Update

Updated 10-8-2020

We are excited to be open and provide an outlet for recreation and activity for the residents of Janesville and our guests. Our team is closely monitoring the impact of COVID-19 and taking preventative measures to ensure that we are providing the highest level of service and cleanliness to our guests. This situation remains fluid and may change at any time.

We are following the guidelines established by the Rock County Department of Health and the CDC for preventing the spread of the virus, and as such we have implemented additional measures at our facility to mitigate risk and reduce the spread of germs. This includes the following procedures:
